*A Conference for Central Alberta Senior Women*  
June 21, 2010  
8:30 am to 3:30 pm

## INFORMATION SHEET

Come and **participate** in the resource fair at an exciting new event, our day-long conference for senior women.

The goal of **Sharing Wisdom** is to purposefully and consciously honour the gifts of all senior women in Central Alberta. We will provide opportunities for the 250 attendees to connect with other women and identify ways that they can establish & maintain active roles in their community.

Our keynote speaker, Maureen Osis, will address "Aging with Purpose". Maureen is the founder of *Elder Wise* and specializes in supporting older adults and their families.
