

Thank you!

This day was made possible by funding from Human Resources and Social Development Canada under the New Horizons for Seniors Program, The Life Long Learning Council and founding partner Family Services of Central Alberta.

Sharing Wisdom on June 21st was a day for over 160 senior women in Central Alberta to connect, learn and laugh.

We would like to thank all the individuals, organizations and businesses that made this day a great success for all.

Thank you to the Sharing Wisdom organizing committee and to all the volunteers.
